Uniform Responsibility Policy

St. Cloud All City Uniform Responsibility Policy covers the care, maintenance, and member responsibility towards our uniforms. This policy's intent is to reduce the loss of property to St. Cloud All City as well as teaching student responsibility in regards to caring for and wearing our uniforms. We also seek to instill pride in our members through the understanding of what our uniforms stand for as regards to membership in the All-City Organization.

If your child shows up to performances without proper pieces to their uniform they will have to sit out the performance. Unfortunately, this ends up affecting the entire group and the pride in our performance.

Uniform Care and Cleaning

When uniforms are turned in at the end of the season we expect them to be returned in the same condition they were handed out; this includes proper cleaning, care and maintenance. Please refer to the St. Cloud All City web site for uniform care and washing instructions.

If a uniform piece incurs a rip, tear, etc...please notify the Uniform/Equipment Chair person immediately so that repairs can be made promptly and not left until the end of the season. If uniforms are not returned clean and in good repair there will be a \$30.00 charge to that individual's assessment.

*Please do not have your uniform dry cleaned. Dry cleaning does not clean our uniforms effectively.

Uniforms are to be turned in at the end of the season on the designated date and time. Incomplete uniform return or damaged uniforms may result in charges up to the full replacement value of the uniform to that individual's assessment.
